70. Operation of the Fund.
71. Submission of reports by oil marketing companies.
72. Submission of report by U.P.P.F. Management Committee.

Administrative, Financial and Miscellaneous Provisions

73. Administrative expenses of the Fund.
74. Fund Co-ordinator and functions.
75. Exemption.
76. Accounts and audit for the Fund.
77. Annual report relating to the Fund.
78. Penalties for misconduct.
79. Offences related to transportation of petroleum products.
80. Regulations.

81. Interpretation.

82. Modification of existing enactments.

83. Repeals and consequential amendments.

84. Saving and transitional provisions.

Schedule Repeals and Consequential Amendments

ACT 691

NATIONAL PETROLEUM AUTHORITY ACT, 2005(1)

AN ACT to establish the National Petroleum Authority to regulate, oversee and monitor activities

in the petroleum downstream industry; to establish a Unified Petroleum Price Fund; and to

provide for related matters.

PART ONE

The National Petroleum Authority

Establishment and Functions of the National Petroleum Authority

1. National Petroleum Authority

(1) There is established by this Act, a body to be known as the National Petroleum Authority.

(2) The Authority is a body corporate with perpetual succession and a common seal and may sue and

be sued in its corporate name.

(3) The Authority may for the performance of its functions acquire and hold movable or immovable

property and may enter into a contract or any other transaction.

(4) Where there is a hindrance to the acquisition of property, the property may be acquired for the

Authority under the State Property and Contracts Act, 1960 (C.A. 6) or the State Lands Act, 1962 (Act

125) and the costs shall be borne by the Authority.

2. Object and functions of the Authority

(1) The object of the Authority is to regulate, oversee and monitor activities in the petroleum

downstream industry and where applicable do so in pursuance of the prescribed petroleum pricing

formula.

(2) To achieve the object, the Authority shall

(a) monitor ceilings on the price of petroleum products in accordance with the prescribed

petroleum pricing formula;

(b) grant licences to applicants under this Act;

(c) maintain a register and keep records and data on licences, petroleum products and petroleum

service providers;

(d) provide guidelines for petroleum marketing operations;

(e) protect the interests of consumers and petroleum service providers;

(f) monitor standards of performance and quality of the provision of petroleum services;

(g) initiate and conduct investigations into standards of quality of petroleum products offered to

consumers;

(h) investigate on a regular basis the operations of petroleum service providers to ensure

conformity with best practice and protocols in the petroleum downstream industry;

(i) promote fair competition amongst petroleum service providers;

(j) conduct studies relating to the economy, efficiency and effectiveness of the petroleum

downstream industry;

(k) collect and compile data on

(i) international and domestic petroleum production, supply and demand,

(ii) inventory of petroleum products, and

(iii) pricing of petroleum products

for the information of the public which the Board considers necessary for the performance of

its functions;

(l) periodically review in consultation with petroleum service providers the prescribed

petroleum pricing formula and publish in the Gazette the respective formula;

(m) publish in the Gazette the ex-refinery prices and ex-pump prices of petroleum products based

on the prescribed petroleum pricing formula;

(n) monitor daily the import parity price of refined petroleum products and publish the price

periodically in the Gazette;

- (o) collaborate with relevant institutions for purposes of this Act;
- (p) oversee open and transparent international competitive bidding for the procurement of petroleum products and crude oil;
- (q) approve charges for the provision of petroleum services within the downstream industry;
- (r) monitor and evaluate operations of the Fund established under section 62 to ensure the achievement of the object of the Fund;
- (s) approve expenditure charge on the fund under this Act;
- (t) publish in the Gazette user fees for monopoly infrastructure; and
- (u) perform any other function that is ancillary to the object of the Authority and assigned to it under this Act.

3. Governing body of the Authority

(1) The governing body of the Authority is a Board consisting of

(a) the chairperson,

(b) the Chief Executive,

(c) one representative of the consuming public other than a person specified in paragraphs (d)

and (e),

(d) one representative of the petroleum workers union,

(e) one representative of

(i) the Ghana National Chamber of Commerce, or

(ii) the Ghana Chamber of Mines, and

(f) three persons, at least one of whom is a woman and each of whom has specialised knowledge

and experience in matters relevant to the functions of the Authority.

(2) The members of the Board shall be appointed by the President in accordance with article 70 of the

Constitution.

4. Independence of the Authority

The Authority shall not in the performance of its functions under this Act, be subject to the control or

direction of a person or an authority other than the Minister who may give policy directions.

5. Tenure of office of members

(1) A member of the Board other than the Chief Executive shall hold office for a period not exceeding

four years and is eligible for re-appointment but a member shall not be appointed for more than two terms

in succession.

(2) Where a member of the Board resigns, dies, is removed from office or is for a sufficient reason

unable to act as a member, the Minister shall within one month of the occurrence of the vacancy notify

the President of the vacancy and the President shall, acting on the advice of the nominating authority and

in consultation with the Council of State, appoint another person to hold office for the unexpired portion

of the member's term of office.

(3) A member of the Board may at any time resign from office in writing addressed to the President

through the Minister.

(4) A member of the Board who is absent from three consecutive meetings of the Board without

sufficient cause ceases to be a member of the Board.

(5) The President may by letter addressed to a member revoke the appointment of that member for

just cause and in consultation with the nominating body.

6. Meetings of the Board

(1) The Board shall meet at least once every three months for the despatch of business at the times and

in the places determined by the chairperson.

(2) The chairperson shall at the request in writing of not less than one-third of the membership of the

Board convene an extraordinary meeting of the Board at the place and time determined by the

chairperson.

(3) The quorum at a meeting of the Board is five members.

(4) The chairperson shall preside at the meetings of the Board and in the absence of the chairperson, a

member of the Board elected by the members present from among their number shall preside.

(5) Matters before the Board shall be decided by a majority of the members present and voting and in

the event of an equality of votes, the person presiding shall have a casting vote.

(6) The Board may co-opt a person to attend a Board meeting but that person shall not vote on a

matter for decision at the meeting.

(7) The proceedings of the Board shall not be invalidated by reason of a vacancy among the members

or a defect in the appointment or qualification of a member.

(8) Subject to this section, the Board may determine the procedure for its meetings.

7. Disclosure of interest

(1) A member of the Board who has an interest in a matter for consideration by the Board shall

disclose in writing the nature of that interest and is disqualified from participating in the deliberations of

the Board in respect of that matter.

(2) A member who contravenes subsection (1) ceases to be a member.

8. Allowances

Members of the Board and members of a committee of the Board shall be paid the allowances

approved by the Minister in consultation with the Minister responsible for Finance.

9. Appointment of committees

(1) The Board may appoint committees consisting of members of the Board or non-members or both

(a) to perform a function of the Board assigned to the committee, or

(b) to advise the Board on a matter referred to the committee.

(2) A committee of the Board may be chaired by a member of the Board.

10. Establishment of Committees of the Board

(1) Despite subsection (1) of section 9, the Board shall establish

(a) a Consumer Services Committee,

(b) a Technical Committee,

(c) a Disciplinary Committee, and

(d) a Complaints Settlement Committee.

(2) The Board shall determine the composition of these committees.

(3) Each of these committees shall perform the functions of the Board assigned to it in writing by the

Board.

Licences

11. Requirement for licence

(1) A person shall not engage in a business or commercial activity in the downstream industry unless

that person has been granted a licence for that purpose by the Board.

(2) The business or commercial activities of the downstream industry in respect of crude oil, gasoline,

diesel, liquefied petroleum gas, kerosene and other designated petroleum products are

(a) importation,

(b) exportation,

(c) re-exportation,

(d) shipment,

(e) transportation,

(f) processing,

(g) refining,

(h) storage,

(i) distribution,

(j) marketing, and

(k) sale.

(3) The Authority may, by legislative instrument, limit or expand the scope of activities under

subsection (2).

12. Qualification for licence

A licence under this Act may only be granted to

(a) a citizen, or

(b) a body corporate registered under the Companies Act, 1963 (Act 179), or

(c) a partnership registered under the Incorporated Private Partnerships Act, 1962 (Act 152), or

(d) a foreign individual or a foreign company in a registered joint venture relationship with a

citizen or a Ghanaian company.

13. Application for licence

(1) A person may apply to the Board for a licence in the manner determined by the Board with the

prescribed fee.

(2) The Board shall, within thirty working days of the receipt of an application, acknowledge receipt

and inform the applicant in writing of the decision of the Board.

(3) The Board shall on satisfaction that an applicant has met all the preconditions including the

payment of the prescribed fee, direct the entry of the applicant's name in the Register of licences

established under section 20.

14. Conditions of licence

(1) A licence shall not be granted to an applicant unless the applicant has complied with any other

requirement specified by the Board and any other relevant enactment.

(2) A licence granted by the Board is subject to the conditions specified in the licence.

(3)

The Board may request from the applicant where necessary,

(a) a clearance certificate or an appropriate permit from the Environmental Protection Agency

and Ghana Standards Board;

(b) evidence of

(i)

financial viability for the ownership or operation of the business or commercial activity,

(ii) adequate training, qualification and experience to engage in the business or

commercial activity in accordance with this Act, and

(iii) any other requirements,

in the manner and at the times the Board may determine.

15.

Issue and renewal of licence

(1) Where an applicant meets the conditions required by this Act for a licence to engage in a business

or a commercial activity in the petroleum downstream industry, the Board shall approve the application

and issue the applicant with the licence.

(2) Despite subsection (1), the Board may for reasons in the public interest, public safety or public

16

security decide not to issue an applicant with a licence and shall inform the applicant of its decision in

accordance with subsection (1) of section 19.

(3) A licence issued is valid for the period specified on it and may be renewed upon satisfying all the

conditions for renewal as specified in the licence.

(4) An application for the renewal of a licence shall be made to the Board not later than sixty days

prior to its expiry and in the manner determined by the Board.

(5) The applicant who seeks to renew a licence shall pay the prescribed fee prior to the issue of the

licence.

16.

Display of licence

A licence issued under this Act shall be conspicuously exhibited by the licensee in a prominent place

on the business premises of the licensee.

17.

Non transferability of licence

A licensee issued with the licence shall not transfer that licence to another person without the prior

approval of the Board.

18.

Revocation, suspension and refusal to renew licence

The Board may revoke, suspend or refuse to renew a licence issued under this Act where

(a) the provisions of this Act or the Regulations are not being satisfactorily complied with,

(b) the continued operation of a business or commercial activity poses a risk to public health,

safety and security,

(c) the services provided by the licensee have deteriorated below the required standard,

(d) the licensee has not complied with any of the conditions of the licence,

(e) an offence under this Act in relation to the licensee is being investigated,

(f) the licensee has contravened but has not been convicted of a provision of this Act.

19. Notice of revocation, suspension or refusal to issue or renew licence

(1) Where the Board intends to revoke, suspend or refuse to issue or renew a licence under this Act,

the Board shall give the applicant or licensee

(a) thirty days prior notice of the revocation, suspension or the intention to refuse to issue or

renew the licence,

(b) reasons for the intention to revoke, suspend or refusal to issue or renew the licence, and

(c) an opportunity to make an oral or written representation to the Board.

(2) An applicant or licensee who receives a notice may make a representation to the Board within

fifteen working days from the date of receipt of the notice.

(3) The Board shall within three months after the representation take a decision on the representation

and inform the applicant or licensee.

(4) The Board shall as soon as practicable inform the Minister in writing of any decision it takes on a representation.

20 Register

(1) The Board shall establish and maintain a register of licences that are granted by the Board.

(2) The Board shall enter in the register in respect of each licence

(a) the name and particulars of the person to whom the licence is granted, and

(b) the business or commercial activity to be engaged in by the licensee.

(3) The Board shall publish the names and particulars of licensees, periodically in the Gazette as

determined by the Board.

(4) The register shall be opened for public inspection during the hours and subject to the payment of

the fee, that may be determined by the Board.

21. Removal of names from register

(1) The Board shall remove from the register the name of a person

(a) who has failed to comply with the conditions of the licence, or

(b) who has been found guilty of misconduct by the Disciplinary Committee.

(2) The name of a person may be restored to the register by the Board.

22. Publication of licences

The Board shall publish in the Gazette a notice of each licence, suspension or revocation of a licence

made under this Act.

Special Requirements and Authorisations Relating to Licences.

23. Application

Without limiting the provisions of sections 14 and 24 to 32 apply to licences for the following

activities;

- (a) refinery,
- (b) transportation,
- (c) marketing, and
- (d) sale.

24. Refinery licence

Where the Board grants a licence to an applicant to operate a refinery for the supply of petroleum

products, it shall authorise the licensee

- (a) to convert crude oil into petroleum products for sale without discrimination to
 - (i) bulk customers of petroleum products, and
 - (ii) a person licensed under this Act to market petroleum products, and
- (b) to obtain approval of the Authority for charges of services rendered.

25. Storage depots for petroleum products

(1) The Minister shall designate a network of strategic storage depots for petroleum products to be

managed by the Bulk Oil Storage and Transportation Company or any other body on behalf of

Government.

(2) The Authority shall by publication in the Gazette designate operational storage depots for

petroleum products.

26. Operation of storage depots for petroleum products

(1) Where the Board grants a licence to an applicant to operate nationwide a network of storage

depots for the storage and trans-shipment of petroleum products, it shall authorise the licensee to provide

services for storage and transshipment of petroleum products to bulk consumers and persons licensed

under this Act to market petroleum products.

(2) The Board shall grant only one licence to a person for the operation of a network of storage depots

for the storage and transshipment of petroleum products at any particular time in the country.

(3) A person granted a licence for this purpose shall be known as the operator of storage depots for

petroleum products.

27. Conditions for licence as operator of storage depots for petroleum products

Where the Board grants a licence to an applicant for the operation of storage depots for petroleum

products, the following conditions are applicable for purposes of compliance:

(a) an obligation to provide without discrimination, services on request for the storage and

transshipment of petroleum products to bulk customers and persons licensed for the transportation and marketing of petroleum products, and

(b) the approval of the Authority for charges for services rendered.

28. Bulk transportation of petroleum products

Where the Board grants a licence to an applicant for the bulk transportation of petroleum products

through a means that the Board may determine, the Board shall include a condition that

(a) the licensee enters into an agreement to provide services without discrimination to its

customers, and

(b) the charge for the bulk transportation of petroleum products

(i) through pipeline systems,

(ii) by barges,

(iii) by rail tanker wagons, and

(iv) bulk road vehicles,

shall be subject to the approval of the Board.

29. Petroleum products marketing licence

Where the Board grants a licence to an applicant to procure and sell petroleum products the licence

shall authorise the licensee to procure and sell petroleum products to

(a) bulk customers, and

(b) to the public through retail stations or reseller outlets.

30. Construction of petroleum products depots

A person shall not construct or operate in the petroleum downstream industry

- (a) a petroleum products retail station,
- (b) a petroleum products storage depot and pipeline,
- (c) a liquefied petroleum gas depot, or
- (d) an oil refinery

without the prior written authorisation of the Board.

31. Display of prices on dispensing units

A person shall not sell or display for sale a petroleum product on a dispensing unit or flow meter

unless the price of the petroleum product is indicated in cedis and pesewas.

32. Prohibition to sell petroleum products

(1) A person, other than a person licensed under this Act, shall not

(a) sell or offer for sale a petroleum product, or

(b) be in possession of a petroleum product in quantities unreasonably in excess of that person's

immediate requirement, or

(c) receive a petroleum product for sale.

(2) Subsection (1) does not apply to petty trading in kerosene.

33. Monitoring of stock of petroleum products at strategic storage depots

The Ministry shall

(a) monitor the release and storage of stock of petroleum products stored at strategic storage

depots, and

(b) ensure that minimum stock is retained as reserve stock.

Powers and Functions of Petroleum Service Providers and Related Institutions

34. Relationship of Authority with other institutions and petroleum service providers

Petroleum service providers and relevant institutions shall

(a) in consultation with the Board, enforce standards of performance in respect of operations in

the petroleum downstream industry, and

(b) ensure conformity with the standards and protocols prescribed by the Board.

35. Refinery and manufacturing processes

The Board shall monitor the refinery and manufacturing processes of petroleum products to ensure the

application of clean and safe technology.

36. Duty to set specifications of fuel products

The Ghana Standards Board shall after consultation with the Board

(a) set the specifications for each type of fuel and fuel related product, and

(b) specify the allowable content of additives in each type of fuel and fuel related product.

37. Submission of reports to Board

(1) Where a petroleum service provider's operations in the downstream industry involves the

importation, refining and marketing of petroleum products, that petroleum service provider shall submit a

monthly report on a date determined by the Board that indicates details of actual

- (a) imports,
- (b) production,
- (c) domestic sales and consumption,
- (d) inventory of crude oil and products, and
- (e) exports.

(2) The Board shall within thirty days consider the content of the report and initiate the action to be

taken where necessary.

(3) The report and the decision taken by the Board shall be forwarded by the Board to the Ministry of

Energy.

(4) Despite subsection (1), the Board may require a petroleum service provider to submit a report

- (a) to address a specific issue, and
- (b) to furnish the Board with information

in respect of the conduct, practices, and management by that petroleum service provider related to the

business or activity including relations with other relevant institutions, partnerships and individuals.

38. Disclosure of information by Board and submission of reports

(1) Subject to this Act and any other enactment, the Board may disclose to the public information

obtained by it in the performance of its functions under this Act.

(2) Despite subsection (1), the Board shall not disclose to a person

- (a) a trade secret, and

(b) privileged commercial or financial information,

without the prior written undertaking of that person to keep the secret, information or matter in strict

confidence and to use it for the purpose for which it was sought.

(3) Despite subsection (1), the Board shall not disclose to a person matters that relate to national

security.

(4) The Board shall submit to the Ministry a quarterly report covering the activities and the operations

of the Authority for the period of the year to which the report relates.

Liberalisation of the Petroleum Downstream Industry and Promotion of Fair Competition

39. Duties of petroleum service providers

(1) Despite section 37, a licensee shall from the commencement of any business or commercial

activity specified under section 11 (2) submit a written quarterly report to the Board relating to the

business or activity undertaken.

(2) A petroleum service provider who undertakes a business or activity that involves the importation

of crude oil or petroleum products, shall ensure that the activity accords with the Basel Convention and

Marpol Convention.

40. Promotion of fair trade practices

(1) The Board shall support commercial practices in the petroleum downstream industry which

(a) serve the public interest,

(b) achieve efficiency and cost reduction,

(c) ensure the continuous supply of petroleum products, and

(d) enhance environmental protection.

(2) For purposes of this section “commercial practices” includes

(a) nationalised depot operations,

(b) open access to storage tanks and pipeline utilisation, and

(c) joint action on spill control and fire prevention.

(3) To ensure the observance of fair equitable practices and the enforcement of existing contracts, the

Board shall monitor the conduct of relationships amongst petroleum service providers.

41. Promotion of new entrants

The Board shall formulate and establish a programme to promote new entrants as petroleum service

providers in the petroleum downstream industry.

42. Incentives for free zone developers and enterprises

(1) A licensed free zone developer or enterprise licensed under the Free Zone Act, 1995 (Act 504) is

eligible, for purposes of refining and storage of petroleum products after licensing under this Act, to enjoy

the same incentives offered by the Free Zone Board within the petroleum downstream industry as

approved by the Board and specified in the licence issued under this Act.

(2) Subsection (1) applied only to a new entrant.

Monopoly Provisions

43. Formation of cartels and monopolies

(1) The Board shall in the performance of its functions take the necessary measures in compliance

with the Protection Against Unfair Competition Act, 2000 (Act 589) to prevent the formation of cartels,

monopolies and unfair competition in the petroleum downstream industry.

(2) A person or an agent of that person shall not form a cartel within the petroleum downstream

industry.

(3) A person shall not gain, hold or secure a monopoly of a business or commercial activity within the

petroleum downstream industry.

(4) A person who contravenes or fails to comply with a provision of this section, commits an offence

and is liable on summary conviction to a term of imprisonment not exceeding ten years or to a fine not

exceeding five thousand penalty units calculated in a currency determined by the Minister, or to both the

imprisonment and the fine.

44. Cartelisation

(1) A person or an agent of that person shall not indulge in or assist in cartelisation in the petroleum

downstream industry.

(2) For the purposes of this section, "cartelisation" means an agreement, combination of or concerted

action by refiners, importers or dealers or their agents, to

(a) fix prices,

(b) restrict outputs,

(c) divide markets either by product or by area, or

(d) allocate markets either by products or by areas

to restrain trade or free competition and contractual stipulation that prescribes pricing levels and profit

margins at variance with the prescribed petroleum formula.

(3) A person who commits an offence under this section is liable on summary conviction to a term of

imprisonment not exceeding ten years or to a fine not exceeding fifteen thousand penalty units calculated

in a currency determined by the Minister, or to both the imprisonment and the fine.

45. Promotion of retail competition

(1) To ensure the prevalence of fair prices of petroleum products and to facilitate the attainment of a

genuine competitive product market at the retail level, the Board shall promote through information

dissemination, the active and direct participation of the private sector in the retailing of petroleum

products.

(2) The retailing of petroleum products may be effected through joint venture or supply agreements

for the establishment and operation of retail stations.

(3) The Board shall in collaboration with relevant institutions co-ordinate with

(a) new entrants, and

(b) existing petroleum dealers

in order to facilitate the efficient establishment, operation and maintenance of retail stations.

(4) The provisions of this section apply to liquid petroleum gas retailing.

(5) For purposes of this section “petroleum dealers” includes large and small retail outlets.

Complaints and Settlement of Disputes

46. Right of complaint

(1) A person may submit a written or oral complaint to the Complaints Settlement Committee in

respect of the provision of petroleum services or pricing.

(2) The Complaints Settlement Committee shall examine and determine a complaint submitted to it

and take appropriate action within a period not exceeding thirty days from the date of receipt of the

complaint.

(3) A person who has made a complaint to the Complaints Settlement Committee where

(a) no action is taken on the complaint within the period specified, or

(b) that person is dissatisfied with the action taken by the Committee

may submit the complaint to the Board for further investigation.

(4) The Board shall investigate a complaint received by it unless it is of the opinion that

(a) the complaint is trivial, frivolous, vexatious or not made in good faith,

(b) the complaint is the same subject already under investigation, or before a court, or

(c) the complaint is prejudicial to national security.

(5) The Board shall within fourteen working days of the receipt of a complaint make an appropriate

determination together with a statement of reasons for the determination made.

47. Settlement of disputes

(1) The petroleum service providers in a dispute concerning a contractual matter that arises with

respect to

- (a) margins set by dealers,
- (b) freight rates for the transportation of petroleum products,
- (c) margins set by the liquid petroleum gas distributors, and
- (d) any other matter designated by the Board,

shall negotiate in good faith to reach an amicable settlement of the dispute.

(2) Where the dispute cannot be amicably settled through negotiation, the aggrieved party may submit

the dispute to the Board for arbitration.

(3) The Board shall after consultation with the Minister, set up an arbitration panel under the

Arbitration Act, 1961 (Act 38) to arbitrate and settle the dispute.

Administrative and Financial Provisions

48. Appointment and responsibility of Chief Executive

(1) The President shall in accordance with article 195 of the Constitution, appoint the Chief Executive

for the Authority.

(2) The Chief Executive shall hold office on the terms and conditions specified in the letter of

appointment.

(3) The Chief Executive shall be a member of the Board.

(4) The Chief Executive shall be responsible for the day-to-day administration of the affairs of the

Authority and shall ensure the implementation of the decisions of the Board.

(5) The Chief Executive may delegate a function to an officer of the Authority but shall not be

relieved from the ultimate responsibility for the performance of the delegated function.

49. Appointment of other staff

(1) The President shall in accordance with article 195 of the Constitution appoint other staff of the

Authority.

(2) The Authority shall have other officers and staff that are necessary for the proper and effective

performance of its functions.

(3) The Authority may engage the services of advisers on the recommendations of the Board.

(4) Other public officers may be transferred or seconded to the Authority or may otherwise give

assistance to it.

50. Funds of the Authority

(1) The funds of the Authority include

(a) moneys provided by Parliament,

(b) any fee or charge determined by the Board in consultation with Minister and Minister for

Finance,

(c) loans granted to the Authority by the Government or by any other person or body,

(d) donations, grants and gifts, and

(e) any other moneys that are approved by Parliament.

(2) Funds received by or on behalf of the Authority shall be deposited by the appropriate person or

authority to the credit of the Authority in an account in a bank or banks approved by the Authority.

(3) Each payment from the Fund shall be signed by the chairperson and

(a) the Chief Executive; or

(b) the officer responsible for financial matters designated by the Board.

51. Expenses of the Authority

(1) The expenses of the Authority shall be paid from moneys provided for the Fund under section 50.

(2) Where, after having defrayed the outstanding expenses, the Authority has an excess amount, the

Authority shall transfer that amount to the Consolidated Fund unless the Minister for Finance in

consultation with the Minister approves the retention by the Authority of a part or the whole of that

excess amount.

52. Accounts and audit

(1) The Board shall keep proper books of account and records in relation to them in the form

approved by the Auditor-General.

(2) The Board shall submit the accounts of the Authority to the Auditor-General for audit within three

months after the end of the financial year.

(3) The Auditor-General shall, not later than six months after the receipt of the accounts, audit the

accounts and submit a copy of the audit report to Parliament.

(4) The financial year of the Authority is the same as the financial year of the Government.

53. Annual report and other reports

(1) The Board shall within one month after the receipt of the audit report, submit an annual report to

the Minister covering the activities and the operations of the Authority for the year to which the report

relates.

(2) The annual report shall include the report of the Auditor-General.

(3) The Minister shall, within one month after the receipt of the annual report, submit the report to

Parliament with a statement that the Minister considers necessary.

(4) The Board shall also submit to the Minister any other reports which the Minister may require in

writing.

54. Borrowing powers

Subject to article 181 of the Constitution, the Authority may obtain loans and other credit facilities on

the guarantee of Government from the bank and institutions that the Minister for Finance approves.

Miscellaneous Matters, Offences and General Provisions

55. Procedures for dealing with complaints from consumers

(1) Each petroleum service provider shall establish an internal procedure for dealing with complaints

by its consumers or potential consumers of petroleum services offered.

(2) The procedure shall not be established or modified unless

(a) the petroleum service provider has consulted the relevant persons or institutions that

constitute a fair representation of the consumers for whom it provides the service,
and

(b) the Board has approved the proposed procedure or modification.

(3) A petroleum service provider shall publish the approved procedure in the
Gazette.

(4) The Board may direct a petroleum service provider to review its procedures or
the manner it

operates and make modifications accordingly.

(5) Copies of the procedure shall be lodged with the Board.

56. Inspectorate

(1) For the purpose of giving effect to this Act, the Authority shall establish an
Inspectorate division

of the Authority.

(2) The Board may appoint a chief inspector and any other inspectors to perform
the functions that the

Board may determine for the purpose of enforcing this Act.

(3) An inspector authorised by the Board may at reasonable times enter premises
used or suspected to

be used by a petroleum service provider to investigate activities there.

(4) Where an authorised inspector enters the premises, the inspector shall

(a) ensure that displayed prices of petroleum products are consistent with the
prescribed

petroleum pricing formula,

(b) inspect

(i) the required licence of the petroleum service provider,

(ii) the premises,

(iii) any other thing which is relevant to the investigation, and

(c) carry out any other function to ensure that the provisions of this Act are complied
with.

(5) The inspector shall at the request of the petroleum service provider responsible for the premises

produce relevant authorisation.

(6) The Board shall periodically cause the inspection of premises.

57. Gazette notices

Where a provision of this Act requires publication in the Gazette, the Board may, in addition to or in

exceptional circumstances, cause the publication to be published.

(a) in the national daily newspapers, and

(b) on radio and television,

and the provisions of this Act shall have effect accordingly.

58. Misapplication of prescribed petroleum pricing formula

(1) A petroleum service provider shall not misapply the prescribed petroleum pricing formula to result

in an overcharge of a petroleum product for a consumer.

(2) A petroleum service provider who contravenes the provisions of subsection (1) commits an

offence.

59. False statements and withholding material information

(1) A petroleum service provider who makes a false statement in respect of a matter under this Act,

commits an offence.

(2) A petroleum service provider commits an offence if that provider in furnishing the Board with

information or producing a document for purposes of this Act or the Regulations

(a) makes a statement which the petroleum service provider knows to be false in a material

particular, or

(b) produces, provides, sends or otherwise makes use of a document which is false or which the

petroleum service provider knows to be false in a material particular.

60. Obstruction or interference with officers and employees of the Authority

A person who unlawfully obstructs or hinders an officer, agent or employee of the Authority acting in

the performance of a function under this Act, or the Regulations commits an offence and is liable on

summary conviction to a term of imprisonment not exceeding ten years or to a fine not exceeding five

thousand penalty units calculated in a currency determined by the Minister, or to both the imprisonment

and the fine.

61. Other offences

(1) A person who unlawfully destroys or damages equipment, installation or facility for the refining,

storage, bulk transportation, marketing or sale of petroleum products commits an offence and is liable on

summary conviction to a term of imprisonment not exceeding ten years or to a fine not exceeding fifteen

thousand penalty units calculated in a currency determined by the Minister, or to both the imprisonment

and the fine.

(2) A person who commits an offence under this Act for which a penalty has not been prescribed is

liable on summary conviction to a fine of not less than two thousand, five hundred penalty units and not

exceeding fifteen thousand penalty units calculated in a currency determined by the Minister, or to a term

of imprisonment not exceeding ten years or to both the fine and the imprisonment.

(3) Where an offence is committed by a body corporate under this Act, every director, manager,

partner, secretary or officer of that body corporate, or a person purporting to act in that capacity is liable

on summary conviction to the penalty provided in respect of that offence.

(4) A person shall not be treated as having committed an offence under subsection (2) where that

person proves that the offence was committed without that person's consent or connivance and that due

diligence was exercised to prevent the commission of the offence having regard to the circumstances.

PART TWO

Establishment of Unified Petroleum Price Fund

Establishment and Management of the Fund

62. Establishment of the Fund

There is established by this Act a Unified Petroleum Price Fund.

63. Objects of the Fund

The objects of the Fund are to

- (a) ensure the regular supply of petroleum to all parts of the country,
- (b) ensure that prices of petroleum products include an element that represents the estimated cost of distribution, and
- (c) achieve a petroleum products distribution system which is efficient.

64. Sources of money for the Fund

The sources of money for the Fund are

- (a) moneys paid by oil marketing companies which is the difference between the fund margin in the price build up and actual freight cost of each oil marketing company if that oil marketing company operates below the equalisation point, and
- (b) any other money that the Minister with the approval of Parliament may determine.

65. Bank account for the Fund

Moneys for the Fund shall vest in the Board and shall be paid into a bank account opened by the

Board with the approval of the Accountant-General.

66. U.P.P.F. Management Committee

(1) There is established by this Act a United Petroleum Price Fund Management Committee

consisting of

- (a) the chairperson who is the Chief Executive of the Authority,

- (b) the industry co-ordinator of oil marketing companies,
 - (c) a representative of the Association of Tanker Owners' Union,
 - (d) a representative of the Bulk Oil Storage and Transportation Company, and
 - (e) the Fund Co-ordinator appointed under section 74.
- (2) For purposes of this section "industry co-ordinator" means the focal person who represents the

oil marketing companies.

67. Functions of the U.P.P.F. Management Committee

The Fund Management Committee is responsible for the management of the Fund and shall for that

purpose

- (a) pursue policies to achieve the objects of the Fund;
- (b) collect or arrange to be collected moneys lawfully due to the Fund through procedures determined by the Authority;
- (c) account for the money in the Fund;
- (d) invest with the approval of the Minister some moneys of the Fund in safe securities it considers financially beneficial to the Fund;
- (e) pay approved expenditure charged on the Fund under this Act;
- (f) advise the Authority on the need to amend the Fund margin in the price build up, where mileage rates exceed the Fund margin built into the ex-pump price; and

(g) perform any other function that is incidental to the achievement of the object of the Fund.

68. Meetings, tenure of office, disclosure and allowances

The provisions in sections 5 to 8 on meetings, tenure of office, disclosure of interest and allowances

apply to the Fund Management Committee for the Fund with the necessary modifications.

69. Disbursement from the Fund

(1) An oil marketing company shall, if it operates beyond the equalisation point, be paid from the

Fund, the monetary value of the difference between the Fund margin in the price build up and the actual

freight cost.

(2) Payments made into and out of the Fund shall be by monetary transactions other than cash

transactions.

(3) A cheque for payment out of the Fund shall be signed by the chairperson of the Board and either

(a) the Chief Executive, or

(b) the Fund Co-ordinator.

70. Operation of the Fund

(1) The Fund Management Committee shall for purposes of operating the Fund consult with the

Authority to fix transportation rates for distances from

(a) a crude oil refinery, or

(b) a bulk supply point,

to other locations in the country.

(2) The rates fixed may be reviewed periodically by the Fund Management Committee after

consultation with the Authority, to reflect current economic trends.

(3) The cash flow of the Fund shall, depending on the equalisation point, be based on the locations

from which the oil marketing companies operate.

(4) An oil marketing company shall not be paid moneys owed to it out of the Fund until it has

complied with section 71.

71. Submission of reports by oil marketing companies

(1) Each oil marketing company shall submit to the co-ordinator

(a) a detailed report on monthly sales analysis based on locations, and

(b) delivery notes in respect of the sales mentioned in the report,

not later than the tenth day of the month following the month to which a report relates.

(2) An oil marketing company shall keep a record of the copy of the report and delivery notes for a

period of six years.

(3) The co-ordinator shall on receipt of the reports, subject them to scrutiny and prepare a summary

indicating the amounts to be paid to or received from each oil marketing company.

(4) The summary shall after verification be put before the Fund Management Committee as soon as

practicable, for approval.

(5) The report and delivery notes shall, when requested by the Board, be made available by an oil

marketing company to any auditor appointed by the Auditor-General.

72. Submission of report by U.P.P.F. Management Committee

- (1) The Fund Management Committee shall submit a quarterly report to the Board.
- (2) The Board shall within fourteen days after receipt of the report submit the report to the Minister.

Administrative, Financial and Miscellaneous Provisions

73. Administrative expenses of the Fund

- (1) The administrative and other expenses of the Fund shall be subject to the approval of the Board.
- (2) The Fund Management Committee may, after defraying expenses of the Fund, and with the approval of the Board in consultation with the Minister direct in writing that a part of any excess moneys located in the bank account for the Fund be utilised in the execution of a designated project related to the petroleum downstream industry.

74. Fund Co-ordinator and functions

- (1) The Board shall appoint a person with managerial experience in the petroleum downstream industry as the Fund Co-ordinator.
- (2) The co-ordinator shall hold office on the terms and conditions specified in the letter of appointment.
- (3) The co-ordinator shall be a member of the Fund Management Committee.
- (4) The co-ordinator shall
 - (a) be responsible for the day-to-day administration of the affairs of the Fund Management

Committee, and

(b) ensure the implementation of the decisions of the Board,

except that the co-ordinator shall not perform a function related to the distribution of petroleum products

in the petroleum downstream industry.

75. Exemption

The Fund is exempt from payment of any form of tax.

76. Accounts and audit for the Fund

(1) The Fund Management Committee shall keep proper books of account and records in relation to

them in the form approved by the Auditor-General.

(2) The Fund Management Committee shall submit the accounts of the Fund to the Auditor-General

for audit within three months after the end of the financial year.

(3) The Auditor-General shall not later than three months after the receipt of the accounts audit the

accounts and forward a copy of the audit report to the Minister.

(4) The Auditor-General may request an oil marketing company to furnish the Auditor-General with

(a) a detailed report on analysis of sales based on locations,

(b) delivery notes on the sales report mentioned in paragraph (a), and

(c) other information the Auditor-General may require,

for the efficient execution of duties.

(5) The oil marketing company shall comply with the request within fourteen days from the date of

receipt of the request.

(6) In addition to the annual audit, technical audits may be conducted on selective basis by the

Auditor-General.

77. Annual report relating to the Fund

(1) The Fund Management Committee shall within one month after the receipt of the audit report,

submit an annual report to the Minister covering the activities and the operations of the Fund for the year

to which the report relates.

(2) The annual report shall include the report of the Auditor-General.

(3) The Minister shall within one month after the receipt of the annual report submit the report to

Parliament with a statement that the Minister considers necessary.

(4) The Fund Management Committee shall also submit to the Minister any other reports which the

Minister may require in writing.

78. Penalties for misconduct

(1) Where a person connives or colludes with a bulk transporter to make false representations to the

fund co-ordinator in respect of petroleum products not delivered to destinations for which they had been

collected, the Authority shall suspend the licences of that person and the bulk transporter for the period

that the Authority shall determine.

(2) Where a person fails to submit

(a) the monthly report on analysis of its sales at different locations, and

(b) delivery notes in respect of the sales,

to the fund co-ordinator later than the tenth day of the month following the month to which the report

relates, payment out of the Fund to that person for services rendered in respect of the sales shall be

delayed for three months.

(3) A person who falsifies a calibration certificate of its bulk road vehicle with the sole aim of

cheating and causes the shortage and under delivery of petroleum products to retail outlets shall be

sanctioned by the Disciplinary Committee established under section 10 (1).

(4) Where a transporter's own vehicle is involved in an act that results in the contravention of a

provision of this Act, the Authority may suspend or revoke the licence of that transporter.

79. Offences related to transportation of petroleum products

(1) Where a transporter or an agent of that transporter compromises the quality and purity of

petroleum products, that transporter or agent commits an offence and is liable on summary conviction to a

term of imprisonment not exceeding two years or to a fine not exceeding five thousand penalty units

calculated in a currency determined by the Minister or to both the imprisonment and the fine.

(2) A driver of a bulk road vehicle who adulterates a petroleum product commits an offence and

(a) is liable on summary conviction to a term of imprisonment not exceeding two years or to a

fine not exceeding five thousand penalty units calculated in a currency determined by the

Minister, or to both; and

(b) shall be prohibited from driving a bulk road vehicle that belongs to a member of the Tanker

Owners' Union.

80. Regulations

(1) The Authority may by legislative instrument make Regulations to

(a) prescribe the criteria and determinants for the formulation by the Board of the prescribed

petroleum pricing formula;

(b) prescribe quality of services provided for petroleum products;

(c) provide for the procedure for submission of complaints and investigation and determination

of complaints, in respect of a matter arising under this Act;

(d) prescribe, modify and review the prescribed petroleum pricing formula;

(e) provide for competitive bidding procedures for the procurement of petroleum products and

crude oil;

(f) provide for the discipline of licensees;

(g) provide guidelines for marketing operations and fair competition in the petroleum downstream industry;

(h) prescribe standards of performance for the provision of petroleum services;

(i) provide for the protection of consumers;

(j) prescribe testing facilities for quality control of crude oil and petroleum products in the

petroleum downstream industry;

(k) regulate licensing;

- (l) prescribe the fees, and charges to be paid under this Act;
- (m) provide for the inspection of petroleum service providers' premises;
- (n) control the importation, exportation, landing, loading, unloading and transportation of
petroleum products;
- (o) provide for the storage, handling and sale of petroleum products and for licensing of places
in which petroleum products are stored;
- (p) regulate the handling of petroleum products in the fuelling of aircraft;
- (q) preserve the quality and purity of petroleum products and crude oil;
- (r) provide for the effective operation of strategic storage depot; and
- (s) provide for any other matter necessary for the effective implementation of the provisions of
this Act.

(2) Regulations issued under subsection (1) shall be signed by the chairperson of the Board.

(3) Despite the Statutory Instruments Act, 1997 (Act 539) the penalty for contravention of the

disciplinary regulations shall be a fine not exceeding two thousand five hundred penalty units calculated

in a currency determined by the Minister.

81. Interpretation

In this Act, unless the context otherwise requires,

“Auditor-General” includes an auditor appointed by the Auditor-General;

“Authority” means the National Petroleum Authority established under section 1;

“Base Convention” means the global agreement, ratified by several member countries and the

European Union to minimise the generation of hazardous wastes in terms of quantity and

hazardousness, dispose of hazardous wastes as close to the source of generation as possible, and

reduce the movement of hazardous wastes;

“Board” means the governing board of the Authority;

“bulk customer” means a customer that takes delivery of quantities of petroleum products in

excess of four thousand five hundred litres;

“Bulk Oil Storage and Transportation Company” means that Company as registered under the

Companies Act, 1963 (Act 179) and charged with maintaining the country’s strategic stocks of

petroleum products;

“bulk supply” means a petroleum product of a quantity that exceeds four thousand five hundred

litres;

“bulk road vehicle” means a road tanker designed to transport in bulk a minimum of four

thousand five hundred litres of petroleum products;

“bulk supply point” means designated locations including the refinery or depots where bulk road

tankers obtain bulk supplies of petroleum products and distribute them to retail outlets or consumer

points;

“bulk transporter” means a transporter duly licensed to transport in bulk a minimum of four

thousand five hundred litres of petroleum products;

“cartel” means a group of business persons which combine to control the production and

marketing of petroleum products to avoid competition with one another;

“citizen” means a citizen of Ghana;

“crude oil” means oil in its natural state before it has been refined or otherwise treated and

excludes water, bottoms or sludge, sediments and foreign substances;

“Commissioner” means the Commissioner of Customs, Excise and Preventive Service;

“Court” means the High Court;

“dealer” means a person who is contracted by a licensed oil marketing company, operates a filling

or service station and is engaged in the marketing and direct sales of petroleum products to motorists,

end users, and other consumers and includes a retailer and a reseller;

“dealer’s margin” means the aggregate of the cost incurred by a dealer in retailing petroleum

products at a retail station and the return on investment;

“delivery notes” means notes or invoices issued by an oil marketing company for the exact

quantity of petroleum products ordered by a consumer to be delivered or supplied by a bulk road

vehicle to a retail outlet or consumer and includes a retailer;

“designated petroleum product” means a petroleum product designated by the Minister by

publication in the Gazette as a product to which the provisions of this Act apply;

“distribution margins” includes primary distribution margin, Bulk Oil Storage and Transportation

Company margin, marketers margin, dealers margin and fund margin;

“Energy Commission” means the Commission established under the Energy Commission Act,

1997 (Act 541);

“equalisation point” means a predetermined distance where the actual freight cost for the transport

of a petroleum product from a Refinery or a storage depot to other locations in the country, is equal to

the fund margin built into the retail price of the product, and form the basis for determining amounts to

be paid in respect of the actual delivery point

(a) by an oil marketing company into the Fund, or

(b) from the Fund to an oil marketing company;

“ex-refinery price” means the amount of money equivalent to the actual cost of importing finished

petroleum products and not exceeding the import parity price;

“ex-pump price” means the price at which a given quantity of a petroleum product is sold at a

retail station dispensing pump;

“full cost recovery” means the level at which the ex-refinery price of petroleum products is

equated to the import parity price;

“Fund” means the Fund established under section 62, and the buffer used to compensate

transporters for transporting petroleum products nationwide;

“Fund Management Committee” means the United Petroleum Price Fund Management

Committee established under a section 66;

“Fund margin” means the cost incurred by a transporter in the haulage of petroleum products for

the depots to the retail outlets nationwide;

“Free Zones Board” means the Board established under the Free Zone Act, 1995 (Act 504);

“Ghana Standards Board” means the Board established under the Standards Act, 1973;2(2)

“import parity price” means the ceiling price equivalent to the cost of importing finished

petroleum products into storage depots along the coast 15km inland of Ghana as determined by the

prescribed petroleum pricing formula;

“licensee” means a person issued with a licence under this Act;

“liquid petroleum gas distributor” means a person engaged in importing, re-exporting, exporting,

refilling, transporting, marketing and selling of liquid petroleum gas to end users and other consumers;

“marketers margin” means the aggregate of the cost incurred by the oil marketing companies in

ensuring availability of petroleum products at the retail stations and the return on investment;

“Marpol Convention” means the Convention for the Prevention of Pollution from Ships and is the

main international convention covering prevention of pollution of the marine environment by ships

from operational or accidental causes; and it is a combination of two treaties adopted in 1973 and

1978;

“Minister” means the Minister responsible for Energy;

“Ministry” means Ministry of Energy;

“new entrant” means a petroleum service provider who is licensed and has operated in the

petroleum downstream industry for a period not exceeding one year and includes a free zone developer

and enterprise;

“oil marketing company” means a company registered as an oil marketing company by law in

Ghana and licensed under this Act to procure and sell petroleum products to bulk customers and the

general public through retail stations and reseller outlets;

“operating storage depot” means a depot designed to hold stock of petroleum products for sale to

licenses and bulk customers;

“petroleum products” means products created through the refining of crude oil by distillation,

cracking, solvent refining and chemical treatment which turn out as primary stocks in the form of

liquefied petroleum gas, naphtha, gasoline, kerosene, aviation turbine kerosene, gas oil, residual fuel

oils, waxes and petroleum, asphalt, bitumen, coke, lubricants, refinery petroleum fractions and include

other petroleum designated products;

“petroleum services” means services provided by petroleum service providers and includes

petroleum importation, refining, storage, bulk distribution, marketing and sale of petroleum products;

“petroleum service provider” means a person issued with a licence to operate in the petroleum

downstream industry and includes a new entrant or any other person authorised by the Board to do so;

“prescribed petroleum pricing formula” means the formula which equates the ex-pump price to

the aggregate of the ex-refinery price, taxes, levies and distribution margins;

“primary distribution margin” means the cost for the transportation of petroleum products from

the refinery or from the bulk supply point to the various storage depots nationwide;

“refiner” means a person duly licensed to refine crude oil into petroleum products;

“relevant institutions” means an institution which for the purposes of this Act needs to collaborate

with the Authority and includes the Ghana Standards Board and the Environmental Protection

Agency;

“Regulations” means the relevant Regulations made under this Act;

“reseller” means a person who is sponsored by a licensed oil marketing company to operate a

reseller outlet and is engaged in the direct sale of petroleum products to motorists, end users and other

consumers; and uses hand-operated or a mechanised pump to dispense the petroleum products;

“reseller outlet” means the registered office of a reseller where petroleum services are offered;

“retail outlet” means the registered sales point of a dealer where petroleum services are offered

and includes a station;

“strategic storage depot” means a depot designated to hold stocks of petroleum products, and is

an integral part of a network of storage depots;

“Tanker Owners’ Union” means an association of tanker owners engaged in the haulage and

distribution of petroleum products to retail outlets throughout the country;

“transporter” means a person engaged in the transportation, distribution, haulage and carriage of

petroleum products, in bulk or packed form, from the oil companies, refineries, and depots to the

petroleum retail and consumer outlet stations.

82.

Modification of existing enactments

The provisions of an enactment of relevance to this Act and in force at the commencement of this Act

shall have effect subject to the modifications necessary to give effect to this Act and to the extent that the

provisions of an enactment are inconsistent with this Act, the provisions of this Act shall prevail.

83.

Repeals and consequential amendments

The provisions set out in column 1 of the Schedule are repealed or amended to the extent specified in

relation to them in column 2.

84.

Saving and transitional provisions

(1)

The Authority shall for purposes of this Act issue guidelines

(a) in accordance with the Public Procurement Act, 2003 (Act 663) for determination of

(i)

inconclusive tender processes carried out by an administrative body responsible for that

(ii) tender processes carried out by oil marketing companies; and

(b) other transitional measures related to the implementation of this Act.

(2) A person who before the coming into force of this Act holds a valid licence to engage in a

business or commercial activity for the importation, exportation, refining, storage, bulk transportation,

marketing or sale of petroleum products shall within two weeks of the coming into force of this Act,

notify the Board of this fact.

(3) The Board shall within two weeks of the receipt of the notification under subsection (2) verify

and certify the licence.

(4) The total sum of money located in a bank immediately before the coming into force of this Act

which constitutes moneys intended for the Fund established under section 62 including interest accrued

on them, is hereby transferred into the Fund.

(5) An agreement entered into in conformity with an existing law shall remain in force and shall not

be affected by the coming into force of this Act.

(6) The person holding office as co-ordinator immediately before the coming into force of this Act

and responsible for administering the payment and disbursement of moneys to oil marketing companies

shall perform functions in that regard in accordance with section 69 (1) until the appointment of a

co-ordinator in compliance with section 74.

(7) A person appointed under the Energy Commission Act 1997, (Act 541) for purposes related to

petroleum product services, who is qualified and suitable for appointment to an office or position in the

Authority, may be appointed for the Authority on the recommendation of the Minister.

Schedule

REPEALS AND CONSEQUENTIAL AMENDMENTS

[Section 86]

Enactment

1. Petroleum Regulations, 1959 (LN. 206)

2. Petroleum

(Amendment) Regulations,

1961 (L.I 123)

3. Petroleum

(Bulk Haulage Rates)

Regulations, 1968 (L.I. 609)

4. Ghana

National Petroleum Corporation

Law, 1983 (P.N.D.C.L. 64)

5. Energy Commission Act, 1997 (Act 541)

Extent of repeal and amendment

Parts Two and Three are repealed.

Instrument revoked.

Instrument revoked.

Section 2 is amended by the repeal of
paragraph (d) of subsection (3).

(a) By the substitution for the long title of
the following

“AN

ACT to establish an Energy

Commission; provide for its

functions relating to the regulation,

management, development and

utilisation of energy resources in Ghana; provide for the granting of licences for the transmission, wholesale supply, distribution and sale of electricity and natural gas; and to provide for related matters”;

(b) Section 2 is amended as follows

(i)

by the repeal of paragraph (b) of subsection (2) and the substitution of the following—

g

“(b)

advise the Minister on national policies for the efficient economical and safe supply of electricity and natural gas, having due regard to the national economy;

(ii)

by the repeal of paragraph (h), (i)

and (j);

(iii)

by the repeal of paragraph (k) and

the substitution of the following “(k)

maintain a register of public

utilities”;

(c) By the repeal of paragraph (b) of

section 11;

(d) By the repeal of Part Four;

(e) Section 42 is amended by the repeal of

paragraph (a) and the substitution of the

following

“(a) promotion of energy efficiency

and productive uses of electricity

and natural gas”;

(f) Subsection (3) of section 44 is amended

by the addition of the words, “except

that this shall be on the approval by the

Minister of a budget presented by the

Commission after the word

“Commission” on line 3;

(g) Section 51 is amended by the repeal of

paragraph (c) of subsection (1) and the substitution of the following

“(c) such other information relating to” public utilities”;

(h) Section 54 is amended by the repeal of paragraphs (b) and (d) of subsection (1);

(i) Section 56 is amended by the repeal of paragraph (b);

(j) Section 57 is amended as follows

(i)

by the deletion of the definition of “bulk customer” and the substitution of the following

“

“bulk customer” means a customer that purchases or receives electric power, or natural gas of such amount or level as the Commissioner may specify”;

yp y;

(ii)

by the deletion of the following

definitions:

“crude oil”,

“hydrocarbon fuels”,

“lubricants”,

“petroleum”, and

“petroleum products”.

6. Public Utilities Regulatory Commission Section 49 is amended by the substitution Act, 1997 (Act 538)

for the meaning of “public utility” and

“service” of the following

“ “public utility” means a person

engaged in the provision for a

fee, whether directly or

indirectly, of the following

services to the public:

(a) the supply, transmission or distribution of electricity;

(b) the supply, transmission or

distribution of water;
(c) other public utility services
excluding a service
involving or related to a
petroleum product, that
Commission shall by
legislative instrument
prescribe on
recommendation of the
Minister with responsibility
for the service”;
“ “service” includes the supplying or
furnishing of a commodity other
than a petroleum product,
derived directly from the
business in which a public utility
is engage ecommodity;” .
